## Vision care for adults

- Routine vision exam provided by an ophthalmologist or optometrist including refraction and glaucoma testing
- Vision care services and supplies, except as specifically provided in the *Vision correction after surgery or for an illness or accident* provision

## Wilderness treatment programs

See *Educational services* in this section

## Work related illness or injuries

Coverage available to you under workers' compensation or a similar program under local, state or federal law for any illness or injury related to employment or self-employment

### **Important note:**

A source of coverage or reimbursement is considered available to you even if you waived your right to payment from that source. You may also be covered under a workers' compensation law or similar law. If you submit proof that you are not covered for a particular illness or injury under such law, then that illness or injury will be considered "non-occupational" regardless of cause.
