Introducing Aetna CVS Health[®]

It's time you got more than you expect from a health insurance company.

Aetna CVS Health has been providing coverage you can count on for over 170 years. Our affordable individual & family plans bring the quality network of doctors, specialists and hospitals from Aetna[®], plus the convenient care options of CVS[®].

That's how **healthier happens together[™]**.

Quality network of doctors and hospitals

With our local network of primary care doctors, specialists and hospitals, you'll find the affordable care you need, close to home. All plans also include mental health care at in-network providers to support your emotional well-being.

- Allergy treatment
- Illnesses & infections
- Vaccines
- Women's health
- And more

*FOR \$0 VIRTUAL CARE: Members may be required to pay a cost-share based on what medical services were received and the type of a provider a member visits. Please consult benefit documents for more details. Members enrolled in qualified high-deductible health plans must meet their deductible before receiving covered non-preventive MinuteClinic services at no cost-share. However, such services are covered at negotiated contract rates.

*FOR MINUTECLINIC CARE AND SCHEDULING: For a complete list of participating walk-in clinics, log in to Aetna.com and use our provider search tool. Includes select MinuteClinic services. Not all MinuteClinic services are covered. Please consult benefit documents to confirm which services are included. Members enrolled in qualified high-deductible health plans must meet their deductible before receiving covered non-preventive MinuteClinic services at no cost-share. However, such services are covered at negotiated contract rates. This benefit is not available in all states. Access to walk-in clinics varies by geography. Walk-in appointments are based on availability and not guaranteed. Online scheduling is recommended. Age and service restrictions may apply.
